

# Easier and quicker through security

## Boarding pass

- ✓ Please have your boarding pass ready
- ✓ The boarding pass needs to be checked, before you can enter the security restricted area.

## Pockets, belts and coats

- ✓ Please empty all pockets, take off your belt and place it in a tray together with all contents from your pockets.
- ✓ Please take off your coat, belt etc., and put those on top in the same tray.

## Liquids

Hand disinfection, perfumes, body lotion, toothpaste, hair gel, deodorants, sprays, liquid medicines etc.

- ✓ Please leave **all** toiletries, liquid medicines and other liquids in a resealable, transparent 1-liter plastic bag.
- ✓ Each container in the bag must contain maximum of **100 ml** and the bag need to be closed.
- ✓ Please place the plastic bag on top in the same tray as your coat, belt etc.
- ✓ **Only 1 plastic bag (1 liter) per person is allowed.**

## Baby food and drinks (infants 0-2 years)

- ✓ Please leave all containers with liquids, baby food in glasses and other partial liquid baby food in a tray.

## Laptops and tablets

- ✓ Please take laptops, tablets/iPads etc. out of your hand luggage and place them in a tray.
- ✓ Feel free to use several trays in order to have **only one layer** of electronics in each tray.

## Electronic gadgets, cameras etc.

- ✓ Please take hair dryers, hair straightners and other larger electrical items as well as video and SLR cameras out of your hand luggage and put them in a tray - **only one layer.**
